Order to Arrest G. T. Garrison.

The Relief for Colored People.

Great Excitement in Mexico.

The Liberal Forces Increasing.

Paymaster Webb Found Guilty.

General Inspection of Depots.

President Commuting Sentences of Death.

WASHINGTON, Sept. 16.—The President has appointed Marshal H. Holland, Collector of Customs, for the district of Brunswick, Georgia, and T. M. Murray, Surveyor of Customs, for the port of Paducah, Ky.

The President pardoned ten persons from different Southern States to-day.

The doors of the President's mansion is besieged by nation seekers.

New York, Sept. 16.—The Commissioners appointed to secure relief for the colored people who suffered by the riots of 1862, have after much delay, and after having arranged for the payment of the larger portion of the sufferers.

The following is a summary of the results of the claims made by the colored people, 148 claims were abandoned, &c. The total claims are 1014; the whole amount paid, \$116,053.60.

New York, Sept. 16.—Rev. Peter Hammon, of Newburyport, Mass., who attempted suicide on the Boston train a few days ago, has died.

Baltimore, Sept. 16.—A telegram was received yesterday, directing the Provost Marshal to arrest G. T. Garrison and send him to Washington to answer the charge of taking watches from the prisoners whilst connected with the prison-pen at Andersonville.

CAIRO, Sept. 16.—The New Orleans Times' City of Mexico correspondent, under date of the 11th inst., says the news from the Imperialists are in a state of extreme anxiety. The most zealous adherents of Maximilian are discouraged, and all every one seems to feel the increasing despondency. The Liberal forces are increasing rapidly. The city papers continue to chronicle fighting daily.

The Austrian commander in Michoacan paroled some republicans in the hope that they were leaving the country, and might be used by the Liberals, advantages that the State decidedly favors.

The French General Negre issued orders that all proprietors must arm their laborers to resist the Liberal forces.

Tampico correspondence is of the most discouraging kind. It is three months since communication has been had with San Luis and the interior.

Five thousand Confederates are enrolled in the Imperial army, and they expect twenty thousand. Gwin is at the head of this business.

The French terminated the project on the ground that it would create the belief that they were leaving the country and destroy confidence in their adherents.

The Subintendant Department has contracted for the delivery of 9000 barrels of flour at \$8.50 per barrel.

Honolulu dates of the 19th are received. Vessels sailed on that day for Ascension Island to bring away the crews of vessels burned there by the Liberales.

New York, Sept. 17.—The Washington correspondent of the Times says that Paymaster Webb was found guilty of conduct prejudicial to the honor and military discipline, and the court sentenced him to be dishonorably discharged from the service, and pay a fine of one thousand dollars, and stand committed to prison for a term of years.

The Herald's special says a general inspection of all the depots for quartermaster supplies is going on throughout the country, with a view of breaking up a majority of them, and concentrating goods in a few of the most important.

The World's special says the official trial of Mary Harris, for the murder of Burroughs, has just been issued. It comprises a complete record, and the speeches of the counsel.

The President is commuting nearly all the sentences of death relative to soldiers, by placing them in prison for a term of years.
